

6. Tack the cord ends to the bottom corners of the face fabric.

7. With right sides together, sew the bottom edge of the face fabric being careful not to stitch through lining.

8. Pin the lining fabric right sides together as shown and stitch from the edges towards the center leaving a small opening. (careful not to catch the face fabric)

9. Pull the face through the opening, press lining seam and sew the opening closed either by hand or machine.

10. Turn face side out to complete.

OPTIONAL: add embellishments such as appliques to make it extra special.
